

UnityWorks Videos

About Our School Program

GETTING STARTED: Listen to what kids, parents and educators have to say about diversity as our program begins in the Yakima School District, September 2014. (5-min)

PROGRAM HIGHLIGHTS: Hear UnityWorks site team members and supporters as they describe their diversity action plans and why they feel this work is so important today. (10-min)

VIDEO EXCEPT: Watch a short clip from the "Got Unity" video, as educators share their experience with the UnityWorks School Program. (2-min)

Ryan McDaniel,
Principal
Davis High School

Dr. Tricia Valdez-
Zontek, National
ELL Consultant

Victor Nourani,
Principal, Lewis &
Clark Middle School

Valerie Kanu,
Parent and
Community Member

TED Talk on the Oneness of Humankind

A thought-provoking talk by Dr. Randie Gottlieb, educator, author and founder of UnityWorks. Her presentation explores the idea that we are one interrelated human family, that we share one common homeland, and that in all of our diversity, we have never had more potential for unity. (19 min)
